rise of the network society. There are four major points of significance here: 1 postcolonial Sri Lanka inherited from the colonial state the multiethnic state as a shaper and arbiter of ethnic difference; 2 given majoritarian ethnic politics, the nation is instead constituted around a monoethnic notion of Sinhala Buddhism which excludes but is built upon the other minorities; 3 the state has been central to the production of minority identity How To Govern Anything violence and welfare simultaneously; and 4 there has been profound militarization

as a consequence of war, which has shaped the actual experience of stateness-both LTTE and Sri Lankan-on the ground.
