The Devil's Dictionary was begun in a weekly paper inand was continued in a desultory way at long intervals until In that year a large part of it was published in covers with the title The Cynic's Word Booka name which the author had not the power to reject or happiness to approve. The latter, especially in its revised form oftouchingly expresses the guilt he felt that this time he himself had the role of deserter and rejecter, and the whole idyll as recounted in Dichtung und Wahrheit reveals that cross-fertilization of life and literature that he increasingly saw as a potent factor in human development.
